As with any insurance contract, the insuring provisions express the coverage afforded by the title insurance policy and there are exceptions, exclusions, and conditions to coverage that limit or narrow the coverage afforded by the policy. Also, some coverage may not be available in a particular area or transaction due to legal, regulatory, or underwriting considerations. Please contact a TRULY Title representative for further information. The services described above are typical basic services. The services provided to you may be different due to the specifics of your transaction or the location of the real property involved.

There **truly** is a difference.
